Empowering Vision - Impacting A Generation - Reaching The World

"And this I pray, that your love may abound yet more and more in knowledge and in all judgement; that ye may approve things that are excellent; that ye may be sincere and without offence till the day of Christ; being filled with the fruits of righteousness, which are by Jesus Christ, unto the glory and praise of God."

- Philippians 1:9-11

God is too good! Even when we are left feeling incapable and discouraged by the things life throws our way, we can always rest in the rock solid fact the our God is more than capable! We are just coming off our Stay and Study weekend for women and I believe that this was operationally the smoothest running Stay and Study we've had so far. God was able to provide for us in areas that we weren't very certain we had the resources for, and when He provides it is always more than enough.

From what I heard, it seemed like the ladies thoroughly enjoyed themselves and took home information that they will be able to breakdown and digest for good while. I am very thankful that Stay and Study is able to happen especially because my mother was able to attend for her second year. To her, Stay and Study is like going to the Superbowl, so she was pretty thankful (and excited) to make it. Big thanks to everyone who helped out this weekend and to our gifted teachers who were able to effectively and efficiently elucidate on the Word of God. The Holy Spirit will continue to bring these things to the remembrance of the women who attended as only He can. We are excited to know that God will be working through the lives of these women, strengthening churches, families, relationships and individuals.

Matters of Prayer

Please pray for Dwight's brother Ricky as he is dealing with some issues with his health Also pray for me that God would give me wisdom, guidance and passion for a small project I am working on. Please continue to pray for us at Challenge Ministries as we travel throughout the year to many different places and for our upcoming conferences and events.

In Christ,

Lear Kirkland
